

UNITED STATES FANTASY FOOTBALL APPEALS COURT

MARC GOLDICH,

Civil Action No. 26-FF-0831

Movant.

MEMORANDUM OPINION AND ORDER

GOD EMPEROR COMMISSIONER DYLUS, Presiding Justice. Before the Court is the Movant's Motion for a Draft Time Change (ECF No. 1), filed August 31, 2026. The Motion having been considered, and the Court being fully advised, it is **DENIED**.

The Movant seeks to alter the time of the League's annual Draft, advancing the customary grievance of a scheduling conflict, styled as “unavoidable.”

This Court's jurisdiction over the Draft, the League, and the contentment of the Commissioner is plenary and unreviewable. See generally *The Commissioner Says So*, 1 F.F. 1 (perpetual). The applicable standard is whether the Commissioner, in his sole and gloriously arbitrary discretion, feels like granting the relief sought.

The Court has considered each of the Movant's arguments in turn. All flounder upon a single dispositive obstacle, which the Court now sets forth as its complete reasoning:

“I don't want to.”

Accordingly, it is hereby **ORDERED** that the Motion (ECF No. 1) is **DENIED** with prejudice; and it is further **ORDERED** that the Draft shall proceed at its originally appointed date and time, with all members in timely attendance and good spirits.

IT IS SO ORDERED.

Dated: September 2, 2026

Erich Dylus
God Emperor Commissioner
Presiding Justice
